

Detroit Coordinated Entry System

Quarter 1 Report | January 1 – March 31, 2024

[CAM Detroit](#) serves as the [Coordinated Entry System](#) for homelessness assistance. CAM does not directly offer housing assistance, but rather provides a single process to access the assistance provided by a number of community partners. It is not an organization or program. It is a system within Detroit’s Continuum of Care (CoC) that is currently implemented by the agencies: [Homeless Action Network of Detroit](#), [Wayne Metro Community Action Agency](#), and [Community & Home Supports \(CHS\)](#).

This report details the operational performance of Coordinated Entry from January 1 to March 31, 2024. Data are selected to provide insight into homelessness and our community-wide response to it.
